The Interchange model

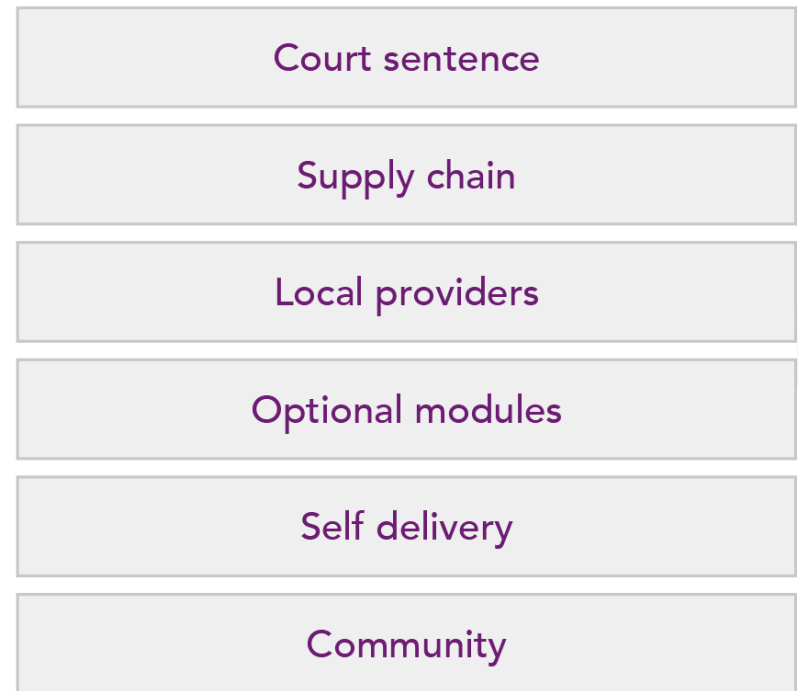

The Interchange modules

Core modules

Additional modules

1:1 sessions

Group sessions

The enabling strategies

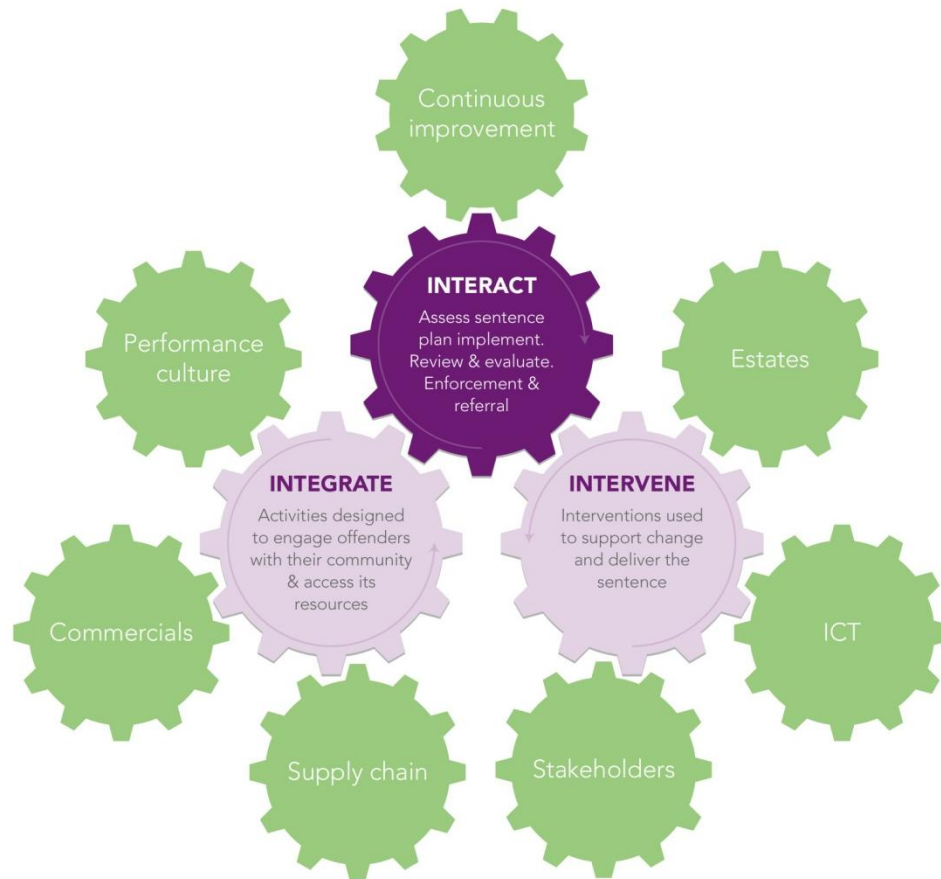

To achieve vision and transform delivery

Do the right thing

Take pride in what you do

Everyone has a voice

Bring better to life

What's going to be different?

- More community based
- More developmental
- Greater user involvement & orientation
- More integrated working
- Greater flexibility of roles
- Greater practitioner discretion
- Future oriented
- Greater human interactions & relationships
- ICT as enabler
- Embedded 'lean' principles

What does it mean for me?
